

Show season 2023

XC Schooling \$60/per person
Hauling is separate if needed.

Coaching and Hauling IS Optional!!!!!!

All hauling and coaching must be paid prior to departure. If you are wanting coaching or hauling you must notify Amber prior to signing up for the show.

- Coaching fees are:
\$100/per day/per rider recognized shows
\$60/per day/per rider/per class Schooling shows
\$40/for each additional class
- Coaching includes help with equipment and horse prep.
- Coaching includes pre rides, course walks, prior day arrivals and navigating the show rings and warm ups.
- Coaching starts from the time we leave the barn to the time we return and sometimes before or after.
- Coaching can occur via video recordings or in person.
- Amber might not be present at every warm up and class.
- If you need your horse ridden at a show to gain experience in the warm up and around the property, you must make arrangements prior.
- If you would like your horse to gain experience showing over fences or down centerline you will need to pay all class fees, coaching fees, and training ride fees for Amber to show.
- Niki will only come to shows with prior notice. If you have an issue that needs fixed under saddle and Niki is not at the show, you will need to plan for another show and give prior notice to have Niki available for riding.
- Jump coaching in warm up will always trump dressage warm up, for safety reasons.

If you don't own a truck or trailer and would like hauling, Casey and Amber can help!

Hauling Fees are:

\$1/per mile per horse under 100 miles

\$0.50/per mile per horse after 100miles

\$30/minimum

- **Hauling fees MUST be paid prior to leaving property.**
- **You MUST arrange hauling prior to signing up for the show.**
